School Calendar

We would like to keep you informed about an important aspect of our school planning process. Given that our school calendar does not align with the school holidays in public schools in Bavaria, we are required to seek government approval for each academic year. Currently, we are in the process of awaiting approval for the school calendar for 2024/25. We sincerely appreciate your patience and understanding as we navigate through this approval process.

Once we receive the necessary approval, the finalised calendar will promptly be published on our website. In the meantime, we have updated the website with key holiday dates that are already fixed, as they align with Bavarian school holidays.

Sport Update

2

Dear ISU community, we would like to inform you of a change in the schedule of the Table Tennis Club at our school. After careful consideration, we regret to inform you that the Table Tennis Club, originally scheduled for Tuesdays and Wednesdays, will no longer be taking place.

The decision to discontinue the club is due to a combination of factors, primarily the insufficient number of students participating and the below-standard condition of the Sports Hall tables. We believe that maintaining a high-quality and enjoyable experience for our students is of utmost importance, and unfortunately, the current circumstances do not allow us to meet these standards.

We understand this may be disappointing for students looking forward to participating in the club.

If you have any questions regarding this change, please contact us. We appreciate your understanding and support as we strive to provide the best possible experiences for our students.

Thank you for your understanding.

ASAP Update

Dear ISU community, it is with great pleasure that we announce the start of a new after school activity, on February 29th, French Tutoring.

Below is the information regarding this activity and a brief introduction of the person that is going to lead the club:

Description of Activity Activities run from Feb 29- May 23	Location/Day of the week	Age Range and Student Numbers	Any costs & other details
French Tutoring 3:45 - 4:45 p.m. Learning with fun, gamification focused on identified needs. Courses in French only. Some minimal French background is a prerequisite.	C202 Thursdays	Grade 1 - 5 Max: 5 Students	Price per student: 15 euros In case is only 2 students per session then 20 euros per session

Some background information regarding Aline:

“French native speaker living in Ulm since 2017 with my family, I am happy to offer, as an after-school activity, French tutoring sessions.

With Master’s degree in applied languages and after a carrier path in international trade, I changed professional direction in 2022 and came back to my original speciality.

In addition to a position as social pedagogue at Lessing Gymnasium in Neu-Ulm, I enjoy teaching my mother tongue to a wide range of people of all ages.

My sessions will be a mix of theory and games, based on students’ identified needs. Gamification is a powerful learning tool!

Prerequisite for the “ French Club “: students should have some minimal background in French.

I can’t wait to start the French Club ! See you soon. Aline Harbonnier”

On a different note, regarding our **Choir** after school activity, there is a cost involved, which is **80 euros per session which is divided by the number of students attending the activity**. At this point we have 11 signed up students.

European Creative Competition

Our Grade 9 and 10 Art students recently entered a Europe-wide creative competition. They all worked hard to plan and create their original works based on one of the three themes for their age group - “Migration Transcends Borders”; “The Digital Me”; and “Jumping Over Your Own Shadow”. All their entries have now been returned and will be on display in the foyer. Special mention must go to Victoria-Sophie in Grade 9 and Alex in Grade 10 who were each awarded a Bavarian state prize for their entries!
