

ISU PLAYGROUP

Tuesday and Friday

EY1 CLASSROOM 08:30 - 10:00

Beginning October 8th

Enrolled children who are approaching their 3rd birthday are invited to join biweekly Playgroup sessions in the EY1 learning environment.

Playgroup serves as a valuable support for transitioning from home to ISU, allowing children to observe and engage in their future environment. They can practice familiar routines and meet their future classmates.

Parents are expected to stay with their child during Playgroup sessions.

Each session will feature access to the garden, Friday story-time, and a snack with the group. Please ensure your child is prepared for both indoor and outdoor activities.
